

NO CHANGE IN LEADERS

Mr. Rogers Far Ahead Of His
Nearest Opponent

GOOD VOTE POLLED YESTERDAY

Contest for Daily Press Trophies Has
Been On Only a Few Days and All
Kinds of Developments Are to be
Expected.

Miss Cora Dimmock, of the St. Paul's Episcopal Sunday School, continues to lead the ladies in the Daily Press trophy contest, and Mr. William R. Rogers, of Bremond Lodge, A. F. & A. M., is still far ahead of his nearest opponent among the gentlemen. The leaders have made such a good start that the others will have to put in some good work to get into the race, but the contest has been on only a few days and all kinds of developments are to be expected before the time grows into weeks.

A very good vote was polled yesterday and there were several changes in positions. In the table printed Sunday morning the name of

Pabst Blue Ribbon Beer contains about the same food values found in bread and eggs—almost the same as those in milk—with this difference in Pabst's favor:

The Pabst Eight-Day Malt Process has made these food substances easily digestible, so they are practically in the form of liquid bread.

Pabst Blue Ribbon Beer instead of making work for the stomach, helps it to work better. Try Pabst by "phoning for a case."

for \$25,000 yesterday than was evident Saturday and there is little doubt but that when the returns for the day are received at headquarters at 7:30 o'clock this evening the total fund subscribed will have passed beyond the \$20,000 mark, thus enabling the association to claim the \$10,000 donation of the Huntington interests. The total collections yesterday amounted to \$658, bringing the grand total up to \$19,861.50.

Team No. 2, captained by Mayor Samuel R. Buxton leads the Young Men's teams with Team No. 10, C. D. West, captain, a close second. Captain W. F. H. Enos of Team No. 5, announced last night that his team would today pass the \$1,000 mark and would lead all of the teams when the contest closes at 7:30 o'clock Friday evening.

All of the teams are expected to pass the \$500 mark today and three should join Mayor Buxton's team, which enjoys the distinction of being the only team to have secured \$1,000.

The Younger Men's teams did good work yesterday, reporting a total collection for the day of \$105. Since the campaign began a total of 456 subscriptions have been received from as many persons and business firms, but it is expected that before Friday night the total will amount to nearly \$1,000. Team No. 9, captained by Mr. G. B. McAlpine, has secured the largest number of subscriptions of any of the Young Business Men's teams.

A buffet lunch was served at headquarters last night. The accompanying table tells the story.

With Silk and Velvet.
The silk frock is in line with the most fashionable gowns seen this season, and so clever are the new patterns that few have any rivals in beautiful material of pattern. In one of the novel dresses of pin striped navy blue and white silk, the skirt is made with sections of three plaits from top to bottom of the skirt, with a plain panel effect between the main part of the decorated at the bottom with two one and one-half inch bands of plain navy blue silk. A plain blue silk cutaway coat has short sleeves, while the front closes over a pin-striped waist. The combination of plain and striped effects is one of the novel features of this season's new ideas.

Sun sets 6:41 p. m.
High water 0:44 p. m.

Coming For Cargo.
The British steamer Isle of Kent will arrive in port this morning from Baltimore to load a cargo of about 4,000 tons of coal for Havana, Cuba.

Little Notes.
If the hat pins get any larger what will become of the hat?
Oval-headed hat pins in plaid or bright colors are worn with white or colored sailiors.
Looped streamers are all the rage in millinery fashions.
Prince Chap is the best model for your tailored gown.

Few persons like grape fruit where it is first tested. The lime flavor is too strong. This fruit can be made into a delicious summer drink which is not unlike lemonade. Grape fruit punch or sherbet is delicious when used as the principal ingredient with other fruits. The scooped-out shells make attractive salad dishes for a luncheon.

It is proposed to grade French trunks not according to height but to length of stride.

Talk about your breakfast foods. A thousand you can see; I wouldn't have them as a gift; I'd have Rocky Mountain Tea.

The Warren & Monks Coal Company yesterday established its agency in this city in room 402 of the Sills building. Mr. R. H. Smith is agent for this company, which expects to do a large business at this port in the future.
